

Research Survey on Neurodiverse Programmers

Are you **age 18 or older**? Have you **worked at a job that primarily required developing software**?

You are eligible to take our survey on neurodiverse programmers in software workplaces, with a focus on ADHD! You ***do not*** have to be neurodivergent to fill out the survey. Participation is voluntary and there is no cost to participants. The survey should take an estimated 15-20 minutes. Participants will have the opportunity to enter a drawing to receive one of two Visa or Mastercard gift cards. The value of the gift card will be \$120.
